

Flat hose rubber reinforced with nylon 127 mm 17bar black 100m type Flextex (0504618)

TECHNICAL SPECIFICATIONS

Colour	black
Type	Flextex
Material	rubber reinforced with nylon
Length	100 m
Temperature range	-20°C - 80°C
Size	127 mm
Inner ø	127 mm
Outer ø	134 mm
Weight	1700 g/m
Bursting pressure	45 bar
Pressure	17 bar
Tensile strength	10200 kg
Wall thickness	3,5 mm

PRODUCT INFORMATION

The Flextex hose is a superb extra heavy-duty hose with very high resistance to abrasion, oil and chemicals, fertilisers, temperature, and ozone. Due to the NBR and PVC compound, the smooth inner surface of the hose, it has a lower pressure loss compared to a 100% polyester hose and

offers a minimal elongation under pressure. Compared to regular rubber mandrill build hoses for equivalent applications, the FlexTex hose is lightweight and flexible. The FlexTex hose is often used in irrigation (spray guns).
