

**Pressure pipe PE-Xb/AL/PE 20
mm x 2,0 mm plain 10bar white
100m KIWA type Mixal
(7018507)**

TECHNICAL SPECIFICATIONS

Colour	white
--------	-------

Type	Mixal
------	-------

Material	PE-Xb/AL/PE
----------	-------------

Approval	KIWA
----------	------

Connection	plain
------------	-------

Pressure	10 bar
----------	--------

Max. temp.	95 °C
------------	-------

Size	20 mm
------	-------

Length	100 m
--------	-------

Wall thickness	2,0 mm
----------------	--------

PRODUCT INFORMATION

Mixal heating pipe is now more flexible and easier to install whilst maintaining the same resistance to high temperature and pressure. These properties have been achieved by using high density PE for the outer layer which protects the aluminium inner layer from corrosion and oxidation.
