

# Profec 2-piece ball valve stainless steel 316 DN125 DIN flange 16bar PN10/16 type 2019 (0090859)

# TECHNICAL SPECIFICATIONS

|                      |                     |
|----------------------|---------------------|
| Type                 | 2019                |
| Material             | stainless steel 316 |
| Operation            | lever               |
| Colour lever         | blue                |
| Handle material      | stainless steel 304 |
| Housing construction | 2-part              |
| Material spindle     | stainless steel 304 |
| Material housing     | stainless steel 316 |
| Material seal        | PTFE                |
| Connection           | DIN flange          |
| Temperature range    | -40°C - 180°C       |
| Pressure             | 16 bar              |
| Size                 | DN125               |
| Flange               | PN10/16             |
| PCD                  | 210 mm              |
| Holes                | 8                   |

# DIMENSIONS

|               |        |
|---------------|--------|
| Handle height | 223    |
| L             | 325 mm |
| H             | 223 mm |
| PCD           | 210 mm |
| ØDf           | 125 mm |

# PRODUCT INFORMATION

Flanges by DIN 2501 / PN16.
