

La Buvette Drinking bowl stainless steel type B19 Porcinox (7028208)

LA BUVETTE 
The Specialist in Livestock Drinking Solutions

TECHNICAL SPECIFICATIONS

Type	B19 Porcinox
------	--------------

Material	stainless steel
----------	-----------------

PRODUCT INFORMATION

Reinforced stainless steel valve.
Four fixing points Ø 10,5 mm.
Centres: 88 mm and 103 mm.

Our drinking bowls for pigs are made of nondeforming polished stainless steel and are available in different models adjusted to the pigs' age.
Stainless steel valve with ½" male gas connection.

Adjustable flow rate.

Two to four oblong mounting holes allow you to make up for poor wall drilling.

The drinking bowls have to be mounted to the wall using a stainless steel fixture (not included).
