

**Rain Bird Pressure Regulating
RBY Filter glass-filled nylon 1"
female thread x male thread
10bar 75micron stainless steel
black type IXZ-100TBOS-with
solenoid valve (7021509)**

RAIN BIRD

TECHNICAL SPECIFICATIONS

Colour	black
Material	glass-filled nylon
Material filter element	stainless steel
Filtration	75 micron
Filtration	200 mesh
Material housing	glass-filled nylon
Connection	female thread x male thread
Minimum inlet pressure	1.4 bar
Pressure	10 bar
Type	IXZ-100TBOS-with solenoid valve
Capacity	57 l/min
Size	1"

PRODUCT INFORMATION

The Rain Bird Control Zone Kits type XZ are a unique, easy-to-turn patented pressure assisted flow control mechanism (DVF models only).

The control kit includes a valve and a pressure regulating filter.
