PRODUCT INFORMATION

The Hunter I-25 Strong as iron. That's the I-25 sprinkler. As it has an irrigation radius of 12 to 21 metres, this rotor can be used in zones of different sizes. Playing fields, lawns, flowerbeds: no project is too much. Its compact design can be supplied with an optional stainless steel riser. The I-25 is a reliable, strong and sustainable choice. Let the Hunter I-25 do the hard work for you, day in, day out. Now there's no need for you to do it.
